Winemaking

The grapes are gently pressed after harvesting. The fresh must is statically clarified at low temperatures and then fermented in steel tank at a controlled temperature of 20°C. The young wine matures for several months in steel tank on its fine lees.

Our tasting note

The Chardonnay has a brilliant straw yellow color and a fruity bouquet with exotic notes, pineapple and ripe apple and slightly floral aromas. On the palate, the wine is elegant and mild, with an interesting finish.
